Take share in community supported agriculture (CSA) as an investment in you health, food for your family, and as a means to support local, sustainable agriculture. By signing up for a CSA membership, you'll receive a box of produce on a weekly basis from Geist Farm's market garden and orchard, located between Garfield and Palouse. The season lasts from July through October for 18 weeks and unlike other CSAs, includes a variety of seasonal fruits and flowers, along with the usual fill of vegetables. Every week, your CSA box will be packed with nutrition and freshness. Throughout the season, the boxes include a great selection of vegetables (lettuce, radishes, chard, scallions, kale, kohlrabi, peas, onions, cucumber, zucchini, eggplant, tomatoes, basil, cilantro, corn, green beans, squash, carrots, fennel, celery, leek, beets, potatoes) and fruit (rhubarb, strawberries, cherries, apricots, plums, prunes, peaches, melons, apples, pears) and flower bouquets. Eating in season, you can savor the flavor and freshness of produce in your family meals. Cook from scratch, throw everything into a salad, and prepare to do some food preservation. You can shorten the food chain, cut out the shipping and packaging, and help protect the environment. Visit out website and check us out on Facebook at Geist Farm! NO MORE DOOR DELIVERIES!
